## MODERE AXIS™ TREBIOTIC WITH 3-IN-1 MATRIX

Health & Wellness | Targeted Health

### Product Overview

Moderate Axis™ TreBiotic with our exclusive 3-in-1 Matrix is cutting-edge food supplement science, combining perfect pairings of well-studied ingredients. This unique, 3-in-1 TreBiotic is the latest technology and features a proprietary blend of highly compatible, bioavailable bacteria paired with the food they need to thrive, plus a one-of-a-kind yeast fermentate that's the subject of 15 studies.

### Product Benefits

- Powerful combination of 3 friendly bacteria strains
- Bio-resistant bacteria thrive in the gastrointestinal tract
- Provides a food source for friendly bacteria
- Unique beadlet delivery system
- 10 billion cells per serving at time of manufacture

### Product Details

Moderate Axis™ TreBiotic is cutting-edge science with an exclusive 3-in-1 matrix featuring three key factors:

#### Key Factor #1:

**GOS (galactooligosaccharides)** provides a food source for friendly bacteria to help them thrive.

#### Key Factor #2:

**Our friendly bacteria complex** is an exclusive combination of *Lactobacillus plantarum* strain DR7, *Pediococcus acidilactici* and *Lactobacillus brevis*. It is scientifically backed by fundamental strain-specific studies and features 10 billion cells per serving at time of manufacture. These gram-positive bacteria can withstand a variety of pH and temperature, making them ideal to thrive in the gastrointestinal tract.

#### Key Factor #3:

**EpiCor® yeast extract**, a whole food fermentate, undergoes a proprietary fermentation process, which creates a unique fingerprint of ingredients, such as protein, amino acids, fiber, polyphenols, vitamins and minerals that make it a one-of-a-kind ingredient that's the subject of 15 scientific studies.

### Directions/Usage

Take one scoop daily mixed into a 200 mL smoothie, shake, water or juice.

**CAUTION:** Not suitable for pregnant women, people taking antidepressants, if you have a medical condition, patients with a central venous catheter in place or when taking any medication. Do not use the product if you have a blood clotting disorder. Consult your doctor before using this product if you are breast-feeding. Food supplements should not be used as a substitute for a balanced, varied diet and a healthy lifestyle. Do not exceed recommended daily dose.

**STORAGE:** STORE TIGHTLY CLOSED IN A COOL, DRY PLACE OUT OF REACH OF CHILDREN.

### Key Ingredients

- GOS (galactooligosaccharides)
- Friendly bacteria complex
  - *L. plantarum* DR7
  - *L. brevis*
  - *P. acidilactici*
- EpiCor® yeast extract

### Supplement Facts Zusammensetzung

Daily Serving / Tagesportion: 1 scoop/1 Messlöff (3,83g)  
Daily Servings per container/ Tagesportionen pro Packung: 30

Amount Per Daily Portion/Pro Tagesportion:	
Brewer's Yeast ( <i>Saccharomyces cerevisiae</i> )/ Bierhefe ( <i>Saccharomyces cerevisiae</i> )*	539,80 mg
Galacto-oligosaccharides/Galacto-Oligosaccharid	500,00 mg
Bacterial Blend/Bakterienmischung	
<i>Lactobacillus plantarum</i> DR7**	51,02 mg
<i>Pediococcus acidilactici</i> KABP-021†	12,75 mg
<i>Lactobacillus brevis</i> KABP-052‡	2,55 mg
Saffron ( <i>Crocus sativus</i> L.) Stigma Extract/ Stigma-Extrakt aus Safran ( <i>Crocus sativus</i> L.)	8,91 mg

**INGREDIENTS:** Glazing agent: mono- and diglycerides of fatty acids, brewer's yeast (*Saccharomyces cerevisiae*)\*, galacto-oligosaccharides (**lactose**), *Lactobacillus plantarum* DR7\*\*, glazing agent: carnauba wax, emulsifier: microcrystalline cellulose, *Pediococcus acidilactici* KABP-021†, saffron (*Crocus sativus* L.) stigma extract, *Lactobacillus brevis* KABP-052‡, corn starch.
